IDX Data Definitions

Web Address: **https://idx.mlspin.com/IDX_MLS_DB_Definitions.pdf**

Data Extraction Options	
Extract Option (Web Page)	**Comments**
BU	Business Opportunity specific data
CC	Condominium/Co-op specific data
CI	Commercial/Industrial specific data
LD	Land specific data
MF	Multi-Family specific data
MH	Mobile Home specific data (March 28th, 2006)
PALL (see comment)	Main Table **included** in all extractions
SF	Single Family specific data
RN	Rental specific data

Roster Tables (Agent/Office)	
Extract Option (Web Page)	**Comments**
Agents	Agent data reference
Offices	Office data reference
IDX_Optout Office List	

Reference Tables	
Extract Option (Web Page)	**Comments**
Areas	
Counties	
Field_Reference	
Reference_Updates	
Status	
Towns	

All IDX displays are subject to the requirements of Sections 10 3(b), 10 3(c), and Attachment C of the MLS PIN Rules and Regulations, as amended from time-to-time   Attachment C contains the list of approved fields for IDX display   Display of any fields not on this list would constitute a violation of the Rules and Regulations and would subject the MLS Participant or Subscriber to penalties as outlined in Attachment A of the Rules and Regulations "

Data Extraction Field Reference

(By IDX Option Selection – PALL is common to all extractions)
